- Explains directions simply
- Ability to work or connect with anyone
- Curious and constantly learning
- Warm and approachable
- Creates an open and collaborative learning environment

WHAT'S IMPORTANT TO ME

- A passion for learning and sharing that learning with others
- Creating a positive environment where everyone has the opportunity to share and grow
- Structured time that allows for creativity and productivity with clear expectations and goals
- Interaction with people whether it's through collaboration, leading a training or teaching, helping someone solve a problem or simply sharing ideas and thoughts
- Hearing the perspectives of everyone in the room and making sure that everyone's learning is supported in a way that works best for them
- Building strength and confidence through kickboxing a few times a week
- Connecting with nature through hiking, backpacking and camping
- Experimenting with new recipes in the kitchen (especially sourdough)

HOW BEST TO SUPPORT ME

- Clear feedback (both positive and constructive) so I can develop what's effective and rethink what needs to be improved
- Communication! Share any "a-ha" moments, or let me know if my screen-share is wonky or if you have something to add
- Ask me questions if you need clarifications, clarity or more information
- A cup of coffee always helps kickstart my productivity
