### What's Important to Me

- Sharing and listening so that I can facilitate reciprocal learning
- The passion I feel about Person Centered Practices being about all people
- Flexibility and creativity
- Inspiring others to find their passion and helping them to pursue it if I can be helpful
- Creating a safe and fun learning environment.

### What People Like & Admire About Me

- Never stop learning attitude
- My ability to synthesize and find themes in what I hear on the fly
- My positive approach to speaking to others and learning from them

### How to Best Support Me

- Give me the time and space for creative thinking
- Understand that my brain doesn't operate on a 9-5 schedule
- Rein me back in if I ramble too long
- Know that if I am not looking at you it doesn't mean I am not listening.
- Sometimes I have to busy my hands to engage my ears
