### *What Is Important To Me*

To create and innovate - asking what more is possible and creating it!

To work with goal oriented people, who want to make a difference in people's lives.

To collaborate, share, and learn from others.

To have a honest and truthful relationship with others.

To create an environment where people can grow, develop, and feel confident.

To foster connections and community.

To spend quality time with my family so I can be my best self at work.

### *How to best support me*

Please always be honest and straightforward with me, I believe trust is built on honesty.

I strongly believe in collaboration, I enjoy processing and talking through situations or possibilities, please create time to do that.

Please provide me with clear and immediate feedback. I appreciate knowing what I can do to improve.

It is important for me to have the time and space to be creative.

I value learning from different resource and others experiences. If you have useful information or resources, please share them with me.

I enjoy being challenged and having to think differently. If we are engaged in a conversation please support me by asking questions rather than giving me answers.
